## **Chatter Update**

Hello 470! I hope everyone had a wonderful Spring Break and is ready for the end of the semester! I just wanted to remind chapter members that this year we are running a raffle at every chapter meeting. We spin a wheel and if it lands on your name you win the pot. Raffle started at \$20 and has not been claimed yet so it is up to \$80! Join us on May 27th for a chance to win!

## **President's Corner**

Fellow Members, we are in a time of transition. We have members leaving and coming on. We have new leaders with big ideas who aren't yet familiar with CSEA. We want to be out in front to ensure folks understand what we do and go through every day. Please keep your eyes and ears open, and reach out if you have trouble or issues. Don't worry about bugging us for anything, large or small. We are here for you, and we always need evidence when speaking to the District.

WE ARE  
**CLASSIFIED!**

CLASSIFIED SCHOOL EMPLOYEE WEEK  
2022

WE BRING IT  
EVERY DAY!

## Classified School Employee Week (CSEW) 2022

This year we are celebrating both CSEA Week (CSEW), May 16-21, and our Chapter's 45th Anniversary!

Please join us during CSEW to celebrate the important contributions of our classified staff.

Our CSEW Committee has a great week planned for our Chapter but we need your help! We will be sending out a fun survey and we need your input to really make CSEW special. Keep an eye on your email for our survey and more information about CSEW/45th Chapter Anniversary celebrations!

We are essential. We are united.  
And we are strong.

Online and on-campus, we're behind the scenes, on the front lines, and in the classroom.

We bring our best every day, we make it happen, and we do the heavy lifting to ensure our students, colleagues, and community have the best College experience around.

## Negotiations Update

We have a few updates regarding negotiations this month:

- Congratulations to our new Negotiations Team member, Mariana Downie. Mariana was elected during our last Chapter election and we are very excited to have her on our team.
- Both we and the District have completed the sunshine process to begin negotiations on our CBA (Collective Bargaining Agreement). The negotiations team will be meeting shortly to discuss strategy, and we will begin scheduling meetings with the District.
- Our Safety MOU has been signed by both CSEA and the District.
- Our Reclassification MOU is almost ready for signing, pending district internal review.

Herbert Cortez has been critical to the growth of CSEA Chapter 470 since he started at Hartnell 7 years ago. His passion and desire to help our members never wavered across the multiple roles he served in the Chapter. Herbert was a friendly and inspiring leader and he will be missed.

Herbert accepted a new position at MPC as Associate Dean of STEM and while we are very excited for him and his new adventures, we will miss him very much.

The Chapter hosted a party on Wednesday, April 27. We had a wonderful turnout with at least thirty members showing up for pizza and cake in A-105. We thank everyone who was able to come celebrate with us!
